

Bye Bye Discussion Boards

VOLUME 2, ISSUE 10

I can't believe October is almost over! This month we've highlighted how **Yellowdig** helps build interpersonal connections and communities. We recently posted a full case study in collaboration with OES. Learn more below!

Yellowdig Product Update

Latest on the Engage Platform

Yellowdig's New In-App Product Announcement Feature

- You can now find out what's new at Yellowdig inside the Yellowdig Engage platform.
- You'll be able to view New Features, Improvements, and Announcements.
- Additionally, you can see this information on a standalone web page [here](#).
- [Check out this video showing off the new feature!](#)
- Expect see this feature rolled on in early November.

Yellowdig's Cloud Draft enhancement—draft in style!

- This enhancement to our current draft feature now allows you to save multiple drafts of posts or comments to post later.
- It works by automatically saving your current work to our system as you are composing a post or comment.

- If you close the editor without posting, the draft is safely kept in the “Drafts” area of the left-hand menu.
- You can also access your drafts from any device, so you can start a post on your computer and then finish posting it on your mobile phone
- Draft like a pro starting early this November.

It helped to know I wasn't alone | A Success Story

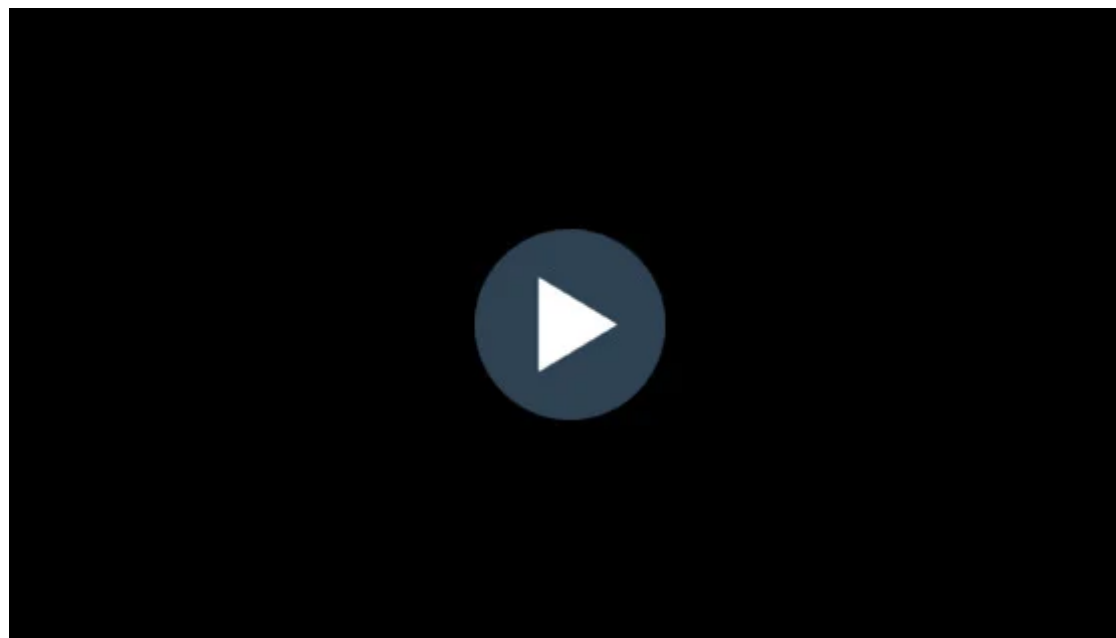

Hear from The University of Tampa's Aimee Whiteside, Associate Professor of English and Writing, and Suzanne Ensmann, Assistant Professor of Education talk about their success story with Yellowdig on Friday November 5th at 12 PM ET. It will include student testimonials, Aimee's experience with moderating five Yellowdig communities, and a Q&A. Follow the link below to sign up.

Hear what students from Missouri Southern State University have to say about **Yellowdig**

We sat down with students from MSSU to discuss their experience with using **Yellowdig** in their classes. It was a common theme amongst the students that the **Yellowdig** Engage platform allowed them to form more meaningful interactions with their classmates when compared to typical discussion posts.
